

March 27, 2020

Dear Woodford County Community,

The Woodford County Library will continue to comply with the Executive Order closing “all public facing businesses that encourage public congregation” and will remain closed until the Executive Order is terminated or the current state of emergency has ended.

We recognize that many Woodford County residents rely on the Library’s programs and services. However, it is imperative that we do our part to mitigate the spread of this virus and take the necessary steps to protect the health and well-being of Woodford County’s residents.

Patrons may continue to hold all materials that are due back during this time period until the Library reopens. No fines will be charged on these materials. We encourage patrons to explore all materials available through our digital library to download or stream to a computer, smart phone, or portable device. We also encourage patrons to periodically visit the Library’s Facebook page and website for news about the Library and its available services.

We appreciate your understanding during this very difficult situation.

Sincerely,

The Woodford County Library District Board of Trustees
